For the most up-to-date listings visit www.oveg.org/brewfest

Oxhey Village Brewfest is our annual celebration of local beer.

Organised in partnership between Oxhey Village Environment Group and Oxhey Village Brewery, Brewfest is more than just a good pint.

The family-friendly event has become one of the region's largest community-led beer festivals. You'll find ale tasting from regional brewers, food made by independent caterers, and entertainment performed by local musicians.

Better still, all six of our village pubs will once again be participating.

Future.
